Why to Join

About the MARC Mileage Program

Purpose

The purpose of the MARC Mileage Program (MMP) is to offer national recognition for all miles driven in a Model A Ford. There is no intent to supersede or cancel any Regional or local driving programs now in existence; rather, the program seeks to further them by offering a driven-car recognition for all registered MARC vehicles.

General

All Model A's owned by MARC members in good standing and registered in the MARC Mileage Program, and which meet the following standards, are eligible.

1. Of original manufacture from 1927 through 1931.
2. Titled or registered as a Model A in accordance with respective state requirements.
3. Authentic in overall appearance, with a minimum of the following basic features:
   A. Original Ford four-cylinder engine produced from 1927 through 1934.
   B. Body style for year of manufacture.

National Awards

1. Award recognition begins at 2,000 miles; the second award level is 5,000 miles; and subsequent awards are at each additional 5,000 miles thereafter.
2. A radiator plaque is awarded with the first mileage level, and a replacement mileage tab is awarded thereafter.

Rules for Miles Driven

1. All ground mileage is credited, except for non-emergency tow.
2. All credited mileage is cumulative from year to year and to each higher award level.
3. Mileage to be credited must be attested.
4. No mileage is credited for any period of time that the owner is not a member of the Model A Restorers Club.
5. Mileage does not have to be updated every year to maintain eligibility.
6. Mileage is accumulated through the reporting of the odometer reading as of December 31 of each year.
7. The MARC Mileage Chairman is the final authority on mileage credit and awards.

Registration

1. A registration fee of $1.00 is required at time of vehicle registration and is good for as long as the owner is a member in good standing of MARC. If membership is allowed to lapse, vehicle must be re-registered.
2. MARC shall maintain the original registration form as a permanent record for each vehicle registered and receiving recognition.
3. A registered vehicle transferred to another MARC member who re-registers the car shall maintain its mileage award level and continues eligibility for further awards in accordance with the rules.

Why Join the MMP?

1. **It's the best bargain going!** For $1.00, your vehicle is registered for as long as you own it.
2. **Get credit for the miles you drive!** You are going to have fun driving your Model A anyway, so you might as well get something out of it! You will earn a radiator plaque and mileage tabs for the miles you accumulate.
3. **No complicated recordkeeping!** Just turn in your odometer reading at the end of the year to your Region Mileage Coordinator (if you are a Region member) or directly to the MARC Mileage Chairman (if you are Unaffiliated). That's all — you have all the fun, we do all the work!
4. **You get bragging rights!** Your radiator plaque with your latest mileage tab shows everyone how far you have traveled in your Model A.
5. **It's easy to join!** Just fill out the registration form on the back of this brochure and send it with your registration fee of $1.00. Please send only cash or checks made payable to Dick Fisher.

Questions concerning the MARC Mileage Program may be directed to the Chairman:
